5.	<p>Business Arising</p> <p>Lumen Day feedback –Great weather and rolls were well received, we had a great help from Melissa Skinner to make 100 beef and gravy rolls. 150 Chicken rolls were also made prior to the day. For next year 200 chicken rolls would be enough</p> <p>Children enjoyed the animals on Lumen Day – farm and reptiles</p> <p>Some feedback and discussion re pre orders. This leaves children with limited choices on the day.</p> <p>Guest speaker feedback – those who attended were very engaged in the presentation. Kristy will look into booking for next year.</p>	Kristy

	<p>Information from Paul will be put on the school website and given to Jackie to attach via facebook.</p> <p>Library furniture is still being looked at as Silvana mentioned they are not after a quiet library space but somewhere that allows groups and individuals to work.</p> <p>Extra table tennis tables, spaces were looked at and the year 7 area is a consideration. Many bats are broken and have been replaced by the school, this is something the school is working on with the children but believe this is incidental damage rather than necessarily intentional.</p> <p>Father's Day-Order has been placed for both gift card and gift – thank Lana. The PAC will be used for this event</p>	Jackie, Lana
