Food stall by Parent Voice – discussion of options started with sausage rolls but moved to hot beef and hot chicken rolls. This was decided would be an easier option avoid a lot of preparation. Beef rolls could be sourced from Forest Lake Butcher and supplies for chicken rolls could be sourced from Coles as Jackie can get a discount. These could be prewrapped in foil and we could sell for $2.00?? Tanya to email options for beef rolls Illuminating Christmas Look at after Lumen Day
